5 Lettering fonts

Words come easily when you have 5 lettering fonts at your fingertips.

Stitch combinations

Combine different stitches and save them on the machine for later use.

Stitch overview

A stitch overview can be found on the inside of the machine lid.

My Custom Stitch™

Create your own personal stitches straight onto the F560 and save them for later use.

Sideways feeding

The F560 can feed and sew in 4 directions.

Extra-advanced needle threader

Follow the easy to understand threading guide, press the lever and the needle is threaded easily.

Drop-in bobbin

Simply drop in your bobbin and get sewing.

Automatic thread cutter

Cut threads by simply pressing a button.

Lockstitch

Secure your sewing by pressing the lockstitch button at the start and end of your sewing.

Central controls

With a central panel including slide speed control, lockstitch, needle up/down button, thread cutter and start/stop button, precision control comes as standard.

Speed slide lever

Use the slider to change the speed of your sewing and to change the stitch width when sewing zig-zag stitches.

SFDS (Square feed drive system)

Professional finishes come as standard with Brother's innovative Square Feed Drive System (SFDS), giving you superior quality, strong stitching on any fabric.

Adjustable foot pressure

Helps you sew pucker-free seams on even the most stretchy of fabrics. Now there's no need to avoid 'difficult' materials.

Adjustable thread tension

With a superior stitch quality and auto thread tension you won't need to worry about the durability or look of your stitches.

USB port

Import your own sewing stitches, and save your stitch combinations or My Custom Stitch™ creations to USB devices.

Free arm sewing

Sewing armholes, trouser legs and other small continuous pieces is so easy and comfortable.

Knee lift

Keep your hands on your quilt and your mind on the task with the included knee lift. With more control, the precision needed for perfect quilts is in your hands.

Hard case

Protect your sewing machine with the hard case when not in use.
